ABOUT NMQHA

New Mexico Quarter Horse Association has proudly supported the horse industry in New Mexico and beyond since 1948. NMQHA is the state affiliate of the American Quarter Horse Association and provides education and show opportunities for anyone with any kind of horse.

NMQHA is a resource for horse owners, exhibitors, breeders, trainers, and supporters. NMQHA also shapes the next generation of leaders in the horse industry through the NMQHA Youth Association. Annually, NMQHA provides funding for youth members to attend leadership conferences, workshops, and the opportunity to represent New Mexico at the AQHA Youth World Championship Show.

Whether you are new to the horse industry or ready to get involved, start with NMQHA.
